

23<sup>th</sup> July 2018

## Invitation for a 3days Fundamental IFRS TRAINING with CPD hours from 5<sup>th</sup> to 7<sup>th</sup> September 2018 at Holiday Inn Hotel- Dar es Salaam

---

---

### Course introduction

---

---

Auditax International IFRS training equips participants with detailed overview of **IFRS requirements and cover also the latest standards issued.**

IFRS standards are covered by experienced trainers in a clear, simple language and combined with model financial statements and practical examples. The course is also delivered through live group interaction. Case studies are also used. Certificate and training materials are issued at the end of the course.

On attending this course, participants will be able to:

- i. Get updates on changes in IFRS
- ii. Apply new standards on revenue, lease and financial instruments
- iii. Know the current requirements for presentation of IFRS financial statements and related disclosures.
- iv. Be able to comfortably prepare IFRS Compliant financial statements.
- v. Address the practical issues arising when implementing IFRS in Tanzania.
- vi. Develop appropriate accounting policies and disclosures

---

---
